

Growing at Meadowside Primary School

WELCOME BACK

We would like to welcome everyone back to the summer term, and we have already had a glimpse of some lovely sunshine. The summer term is packed with exciting events and learning opportunities and we look forward to sharing these with yourselves over the coming weeks.

Congratulations

Congratulations

We would like to congratulate two of our pupils, Evie and Connor on being selected to go through to the second round of the 500 Words Competition. To reach the final 5000 entries in a national competition is a huge achievement and we are all very proud of them.

MR SQUIRES AND MEADOWSIDE'S CREATIVE MISSION.

At the beginning of April, the children completed their first Creative Mission as 'Creative Agents'. Their mission was to discover 'What matters at Meadowside?' by completing various tasks linked to the Meadowside school values: Responsibility, Respect, Resilience and Reflection.

As well as this, they learnt about respecting nature and understanding why we must be responsible for it, they reflected on themselves by designing their own pebble that represents them and finally they explored the significance of the Meadowside Primary School emblem: 'The Buttercup'.

Remember to bring in your photographs from home to decorate your Creative Mission log books.

Over the course of the two days, the children reflected on their local environment and discovered interesting information about the history of Burton Latimer. They explored resilience by learning some African chanting/drumming and also reflected on popular music and how it sometimes links to their school values.
